

dear center

my name is dylan i'm 8 years old and 9 months. i have neurofibromatosis. i want to find a cure because nf causes a lot of trouble. we try to raise money for a cure and tell people about it so they can help. there's a lot of people that have nf and we really need a lot of money to get a cure for every kid in the world and every person because not everyone is a kid. nf causes you to be small and get eye surgery and hearing problem. my right ear doesn't work any more and I have trouble at school. i can't run because i have trouble breathing also i have spots all over me. thank you

from dylan Thompson
